**CITYOPT**

 CITYOPT is co-funded by the European Commission under the 7th Framework Programme.

<http://www.cityopt.eu>

**1**  
During the 25 coldest days of winter, the application will alert you before each consumption peak.

**2**  
Join the CITYOPT mission: plan your strategy to reduce electricity consumption.

**3**  
Win points by reducing your electricity consumption.

**4**  
Sustain local projects by donating your CITYOPT points.

**5**  
The points of the winning project will be transformed into real funds for its realization.
